

Application for Admission by the bishop/higher superior

Name and address of the diocesan bishop/higher superior:

.....

E-Mail:

I have taken note of the „Statute and Ratio Localis 2016“ (the profile, the requirements for admission and the way of life in the Canisianum) and I apply for, priest/student of my diocese/congregation for admission to the Collegium Canisianum, according to the “Ratio Localis” and the submitted Agreement.

After completion of his studies or the end of his formation in the Collegium Canisianum I will call my priest back to his home diocese/to his home country.

The annual costs amount to around € 18.000,00 for accommodation, for study fees, insurance and personal expenses.

- I can contribute to these expenses by paying an annual amount of €
- I cannot contribute to these expenses and would ask the Rector of the Canisianum to find sponsors. The priest/student of my diocese/congregation will do his best to assist in this effort.
